Re: A-17037, Pte. Beverly Gordon PORTER

Dear Sir:

This is in reply to your recent letter concerning the above-named veteran.

Mr. Porter enlisted for active service in the Canadian Army on 30 July 1940, embarked for Britain on 4 February 1941 and for France on 18 August 1942. He was captured by the Germans at Dieppe on 19 August 1942 and was held prisoner of war until 2 May 1945, having been first interned at Camp Stalag VIII B until 24 February, 1944 and after that at Camp Stalag 2D, Germany.

He was repatriated to Canada in July 1945 and honourably discharged on demobilization 25 August 1945.

Respectfully
